

#### **PRODUCT INFORMATION:**

- Make: **NEWMAN** Electric Motors Ltd
- Model: Cage Induction Motor
- Frame: C160L/DD21E1BBA
- No.: 963
- SPEC: BS2613
- Conn Diag. ED3025
- Origin: United Kingdom

#### **POWER:**

- Power: 22 kW / 30 hp @ 2940 rpm
- Electrical: 415 V / 43 A / 50 Hz / 3 Phase

#### **MEASUREMENTS (mm):**

- External approx.: 720 L x 500 W x 520 H

#### **ABOUT US:**

Mercuri Trading, located in Melbourne, brings over 15 years of experience in the industrial machinery sector. Our premises feature a large undercover warehouse spanning acres, housing a diverse inventory of industrial machinery.

We are dedicated to providing excellent customer service, as is reflected in our positive feedback rating on all of our platforms. This achievement reflects our commitment to offering quality used products that help our customers stay within their budgets while still achieving their goals.
