

BLADE ON OFF CARRIAGE ON OFF

GSP
BIZERBA

STROKE SPEED

The control panel is a rectangular grey unit with a black border. It features two 'ON OFF' buttons at the top, each with a corresponding icon (a blade and a carriage). Below these are a red power button, a green button with a vertical bar, and two sets of buttons for 'STROKE' and 'SPEED'. The 'STROKE' buttons are two circles with a vertical bar, and the 'SPEED' buttons are two circles with arrows. The brand name 'BIZERBA' and model 'GSP' are printed in the center.

WARNING!
Do not touch
moving carriage.
DANGER TO INJURIES!
